

## Passive Media Consent Form

### Release of Directory Information

Young Scholar's Academy is in compliance with the Family Education Rights and Privacy Act of 1974. One of the components of the Act is limited disclosure of student information. In the course of school operations, names and/or images of students may be released to news agencies or posted on our website or YSA Facebook page for recognition of Honor Roll students, Student of the Term, special academic and/or achievement awards, and athletic activities, etc.

This is a passive agreement (it is assumed that you agree, unless otherwise noted) between YSA and the parent/guardian of enrolled students.

- Posting my child's picture on our school's website or Facebook page ([www.ysacs.org](http://www.ysacs.org)).

**Only return this form if you wish to exclude your child from the above-mentioned sources of recognition.**
